

## Oh Lord Make A Good Day Today

It's been so long since I've seen the light  
Weeks of days dark as the night  
I don't recall how it used to be  
Something small Lord might be all I need

Oh Lord make a good day today  
Oh Lord make a good day today  
Every day from You is a beautiful day but I'm begging You Lord I pray  
Oh Lord make a good day today

Love is patient love is kind  
Don't be anxious I'll reap in time  
Ask and it will be given to you  
Lord I'm waiting with hope for You

Oh Lord make a good day today  
Oh Lord make a good day today  
Every day from You is a beautiful day but I'm begging You Lord I pray  
Oh Lord make a good day today

It's always darkest before the dawn  
That light is coming it won't be long  
Soon my spirit will be singing loud and strong

Oh Lord make a good day today  
Oh Lord make a good day today  
Every day from You is a beautiful day but I'm begging You Lord I pray  
Oh Lord make a good day today
